Dear Jason:

I wanted to write a letter thanking you for providing such great entertainment for our 44th annual banquet. This was a very important occasion for our company. It provided a platform for thanking our "teammates" for all their hard work and also to give them an enjoyable evening of good food, fun, and entertainment.

I have heard so many good comments about your "strolling magic" before our awards program. That really got everyone interested in you, and what you could do. There are still people trying to figure out how you did the tricks you did. The small group magic was very intimate and a great way to make a gathering less formal and also make the spouses of our teammates more relaxed and able to enjoy themselves.

Finally, your stage show was incredible. I truly appreciate how you worked with us so much to meld part of your magic show to include personalizations to our business. This brought it all together, and you made it flow like it was put together after weeks of research (as opposed to the few days we actually had). Your show filled up the time we had allotted perfectly and everyone came up to me after and said it was one of the best banquets they had ever attended. I believe you played a big part in that, and we appreciate all you did to make our banquet an unforgettable one.

Sincerely Yours,

Tammie Brace-Turnipseed
